INDUSTRIAL EXPERIENCE

Web developer	Jan 2021 - Dec 2023
iRisehub Limited. Mogadishu, Somalia.	

Key Achievements

- Responsible for maintaining, expanding, and scaling iRise's website and any other affiliated websites as well.
- Assisted in drafting, editing, and distributing monthly reports, newsletters, blog posts, and social media updates, contributing to enhanced audience engagement and organizational visibility.
- Assisted in the transition from on-premises to cloud solutions, enhancing system efficiency and scalability.

Medical and Legal Translator	Jan. 2021 - May. 2025
Tarjimly, Mountain view, United States of America.	

Key Achievements

- Translated messages and documents, interpreted voice notes and calls on various topics, including but not limited to medical appointments, education information, legal matters, employment services, and day-to-day communication.
- Excelled in live interpretation to facilitate real time communication between users of the Tarjimly app.
- Demonstrated a strong commitment to supporting the translation needs of asylum seekers, refugees, and immigrants, in line with Tarjimly's mission as a non-profit organization.

Content Analyst

Feb. 2024 - Present

Teleperformance, Accra, Ghana.

Key Achievements

- Monitored and enforced user-generated content guidelines to ensure compliance with community standards and client requirements.
- Collaborated with law enforcement to handle and investigate illegal online activities, reinforcing community safety and corporate responsibility.
- Implemented effective strategies for user engagement and content management, enhancing overall community trust and satisfaction.

VOLUNTEERING & LEADERSHIP EXPERIENCE

Civic Media Director at MinbarSpace

Dec 2022

- Led and managed digital media operations and live broadcast access for major events, ensuring all content was accessible for streaming on Minbar's platforms.
- Handled the selection and arrangement for Presidential Townhall meetings, managing invitations and logistics for a diverse group of participants, including students, researchers, academics, intellectuals, policymakers, and career public servants.

Support & Mentoring Manager at Rise Academy

Sep 2022

- Led coding bootcamps aimed at equipping young Somali youth with digital skills.
- Assisted students in preparing for job interviews, creating impactful resumes, and building professional networks.

Team lead, Mogadishu Tech Summit 2021

Dec 2021

- Led the social media team for the Mogadishu Tech Summit, implementing strategic tools to enhance post frequency and audience engagement, contributing to the event trending regionally and internationally.
